Procurement

# VARIED EXPERIENCE

§ Over the years B&T has successfully completed various types of projects including commercial buildings , industrial plants, corporate offices, hotels, residential villas, apartments, retail fit-outs, restaurants, gyms etc.

§ Our team has successfully completed and handed over more than 200 projects during last more than twenty years of rendering professional services across India .

# OUR COMMITMENT ON TIME PROJECT DELIVERY

**DISCOVERY** Where we learn about your organization, needs, and desires.

**DESIGN** Where we generate ideas and brainstorm solutions.

**DRAFT** Where we develop and finalize design.

**PURCHASE** Where we start to bring your design to life.

**ADMINISTER** Where we ensure that all goes according to plan.

**INSTALL** Where your new design comes to life.

# METICULOUS PROJECT EXECUTION ON -TIME PROJECT DELIVERY

Each project is assigned a dedicated project manager, a procurement executive and a few technical services supervisors.

In-house Design and Planning team, in coordination with project manager, evolve a detailed implementation of the project and all fit-out and installation related program and timelines. The entire team of designers and planners aim to ensure the timely completion and handover of the project.
